I am a Registered Representative of Raymond James Financial Services, Inc., and may be paid fees and/or commissions on securities transactions. All commissions are disclosed to clients.

If you act upon my advice and choose to use one of RJFSA's affiliates as a money manager, custodian or to purchase securities or insurance, I may receive compensation in the form of commissions from the affiliate. Additionally, if you purchase a mutual fund containing a 12b-1 fee, I may receive such fee. As part of its fiduciary duties to clients, RJFSA endeavors at all times to put the interests of its investment advisory clients first. Clients should be aware, however, that the receipt of economic benefits by RJFSA and me in and of itself creates a potential conflict of interest.

I have other insurance company affiliations from which I receive commissions. Clients are under no obligation to execute recommendations relating to insurance and/or annuity products through the outside insurance affiliations. If you choose to use me in my individual capacity as an insurance agent, I will receive a commission. The insurance companies I do business with are:
